Hi - Happy new year! Rep. Moore's office is hosting two public meetings in St Francis on January 27. They've invited EPA and we plan to send staff, but this is very much the Congresswoman's meeting. Perhaps check with her staff?

All the best,  
Ronna

Hi Denise, Ronna, and Eileen,

Hope this finds you well (and staying warm!) in the new year.

We have heard that EPA may be holding a meeting in St. Francis with residents / community members to discuss the Greif/Mid-America facility. Can you confirm whether this is accurate, and if so provide details about the meeting, as well as information we can pass along to people interested in attending?

Thanks,

Colleene
